

# WEXFORD IRRIGATION SCHEDULE – Rainy Season (August 1 to October 30 or as long as it lasts)

**Zone #**

**House #**

**Time of Operation**

All zones watered  
as needed.

**N.B.**

Schedule depends on:

Weather conditions including county restrictions.  
Hurricanes and system failures.  
Power outages.

Green grass depends on several things:

Fertilizer.  
Pest control.  
Weed control.  
Soil comprised of 5% organic material.  
Irrigation.
